

# Instructions to prepare your paper

## Word Limits

A paper for the ATEE 2022 winter conference journal should be no more than 10000 words, inclusive of:

- Abstract
- Tables
- References
- Figure or table captions
- Endnotes

## Style Guidelines

Please download the template indicated in the website and use it to write your paper.

Please use British (-ise) spelling style consistently throughout your paper.

Please use single quotation marks, except where 'a quotation is "within" a quotation'.

Please note that long quotations should be indented without quotation marks.

## References

Please use APA style 7<sup>th</sup> edition.
